

Hi, my name is Noah LaRue and I am a magnet student at North Harford High School. I am gathering data to investigate the following question and would greatly appreciate your help.

**To what extent does bottom board type affect Varroa mite counts?**

Please answer the following questions:

How many hives do you manage? \_\_\_\_\_

Bottom board type:

\_\_\_\_\_Screen    \_\_\_\_\_Solid

Varroa Mite Counts:

\_\_\_\_\_Screen    \_\_\_\_\_Solid

Varroa Treatment Method Used: \_\_\_\_\_

Number of Overwintered Hives:

\_\_\_\_\_Screen    \_\_\_\_\_Solid

Please send the survey back to my teacher, Laura O'Leary at [laura.oleary@hcps.org](mailto:laura.oleary@hcps.org) or to me at [thelaruefamily@verizon.net](mailto:thelaruefamily@verizon.net) . Responses can also be mailed to the following address:

Laura O'Leary  
211 Pylesville Road  
Pylesville, MD 21132

Thank you for your time.
